### MEDICATION INCIDENT REPORTING

#### **How do I report a medication incident to ISMP Canada?**

ISMP Canada welcomes medication incidents from practitioners and consumers.

Practitioners can go to [https://www.ismp-canada.org/err\\_ipr.htm](https://www.ismp-canada.org/err_ipr.htm), and

Consumers can go to <http://www.safemedicationuse.ca/report/>.

All reports are confidential and can be anonymous. ISMP Canada collects information on the incident details only and respects the wishes of the reporter as to the level of detail to be included in publications.
