

Opportunities at Home Care Transitions Process

AND

Obtain client's last RECONCILED MEDICATION LIST

Assess/validate the currency of the RECONCILED MEDICATION LIST e.g. consider the date and ask client/family caregiver if they have maintained the list.

Current RECONCILED MEDICATION LIST

Not a current RECONCILED MEDICATION LIST

Complete the remainder of the medication reconciliation process starting at Step 2* (with comparison to the recorded discharge medication information)

Repeat the medication reconciliation process starting from Step 1*

* Refers to Process at admission to home care services
