

Where can I find patient and family resources for medication reconciliation?

Over the past several years, a number of Canadian teams and organizations have developed tools and resources for patients and their families/care givers to help them understand their role in medication reconciliation. Here are some of these resources.

WEBINARS/VIDEOS

[One Simple Solution for Medication Safety](#) – Doc Mike Evans Video

[Do You Have a Med List?](#), Alberta Health Services

[What's On Your Med List?](#), Alberta Health Services
