Opioids for Short term Pain: Your Questions Answered (2019)

ISMP Canada gratefully acknowledges the development of the “Opioids for short term pain: Your questions handout” document by: Judith Maxwell (Patients for Patient Safety), Elsie Petch (South Riverdale Health Literacy group), Dr. Brian Cornelson (Family Physician), Dr. John Maxted (Family Physician), Julide Erkaya (ISMP Canada), Dr. Michael Hamilton (ISMP Canada), Alice Watt (ISMP Canada) and Canadian Patient Safety Institute (CPSI) for their funding support. The document was also reviewed by members of the Canadian Pain Forum, Joyce Douglas (CMA), College of Family Physicians of Canada, Justin Turner (CaDeN), Camille Gagnon (CaDeN), Tai Huynh (Choosing Wisely Canada), Karey Shuhendler (CNA), Brendalynn Enns (CADTH), and the Neighbourhood Pharmacy Association of Canada.
