Knowledge Translation:

What is it and what does it mean to you and the patients we care for?

This webinar will demystify the term “Knowledge Translation” (KT) and explore why it has become such an important term in patient safety and practice-based research. The theory of KT will be reviewed through examples relevant to patient care and medication safety.

Cost:
- Webinar only $95 (per telephone connection plus applicable HST/GST)
- Webinar plus DVD $174 (per telephone connection plus applicable HST/GST)
- DVD only $95 + (plus applicable HST/GST)
